

Based on: *Magical Correspondences for Beginners: Your Complete Guide to Witchcraft Associations*

## Overview

### **\*\*Magical Correspondences: The Basics\*\***

**\*\*Magical Correspondences:\*\*** Connections between specific objects, energies, or concepts that are believed to resonate with and amplify each other in magical workings.

**\*\*Intention:\*\*** The focused desire or goal of a spell or ritual.

**\*\*Energy Signatures:\*\*** The unique vibrational quality or essence of an element, planet, herb, crystal, or color.

**\*\*Spell Work:\*\*** The practice of using correspondences to direct energy towards a specific outcome.

**\*\*Rituals:\*\*** Ceremonial practices that often incorporate correspondences to honor deities, elements, or cycles.

**\*\*Manifestation:\*\*** The process of bringing thoughts and desires into physical reality, often aided by aligned correspondences.

- **\*\*Elemental and Celestial Correspondences\*\***

**\*\*Air:\*\*** Associated with intellect, communication, movement, and the mind. Often linked to the East.

**\*\*Fire:\*\*** Associated with passion, transformation, energy, and will. Often linked to the South.

**\*\*Water:\*\*** Associated with emotions, intuition, healing, and the subconscious. Often linked to the West.

**\*\*Earth:\*\*** Associated with grounding, stability, abundance, and the physical body. Often linked to the North.

**\*\*Planetary Rulerships:\*\*** Each of the seven classical planets (Sun, Moon, Mercury, Venus, Mars, Jupiter, Saturn) has specific energies and associations used in timing and spell focus.

**\*\*Lunar Phases:\*\*** The Moon's cycle (New, Waxing, Full, Waning) influences magical potency, with different phases being ideal for specific intentions (e.g., waxing for growth, waning for banishing).

- **\*\*Ingredient and Symbolic Correspondences\*\***

**\*\*Herbal Properties:\*\*** Different herbs possess unique magical qualities (e.g., rosemary for remembrance, lavender for peace) and require safe handling.

**\*\*Crystal Amplification:\*\*** Crystals and stones are used to focus and amplify intention and energy in magical work.

**\*\*Color Magic:\*\*** Each color carries specific spiritual meanings and magical uses (e.g., red for passion, green for abundance).

**\*\*Candle Magic:\*\*** Candle colors are chosen to align with spell intentions, with DIY blending offering customization.

**\*\*Day of the Week:\*\*** Each day is ruled by a planet, influencing its inherent energies and best magical applications.

**\*\*Zodiac Signs:\*\*** Astrological signs can inform personal magical practices and manifestation efforts.
